Look Who I'm Cheating On Tonight

Bobby Bare

In the shadows of our bedroom I hold you in the darkness tenderly
While there's another woman who's waitin' in a room alone for me
By now I'll bet she's restless she's already poured the wine and dimmed the lights
But I'm here at home beside you and look who I'm cheatin' on tonight
I guess that I'd forgotten the warm willing woman you can be
And I guess that I'd forgotten the gentle way you feel next to me
It's strange to be here with you the one I've cheated on so many times
But your body's warm beside me look who I'm cheatin' on tonight
[steel]
So I lie here in the shadows and watch the rise and fall of your breast
The blush is still on your face love makes a woman look that way I guess
By now I'll bet she's worried she'll pour herself another glass of wine
Lord knows I've done some cheatin' but look who I'm cheatin' on tonight
I guess that I'd forgotten...
Lord knows I've done some cheatin' but look who I'm cheatin' on tonight
