

Love's In Need of Love Today

[Joan Osborne](#)

Advisory - the following lyrics contain explicit language:

Good morn or evening friends
Here's your friendly announcer
I have serious news to pass on to every-body
What I'm about to say
Could mean the world's disaster
Could change your joy and laughter to tears and pain
It's that love's in need of love today
Now don't delay, send yours in right away
You know that hate's goin' 'round breaking many hearts
You got to stop it please before it's gone too far
The force of evil plans
To make you its possession
And it will if we let it destroy everybody
We all must take precautionary measures
If love and peace you treasure
Then you'll hear me when I say
I say, oh, love's in need of love today
So don't delay, send yours in right away
You know that hate's goin' 'round breaking many hearts
Better stop it please before it's gone too far
You know that love's in need of love today
Come now don't delay, send yours in right away
You know that hate's goin' 'round breaking many many hearts
Better stop it please before it's gone too far
