

# Queen of the Broken Hearts

## Loverboy

When both sides are fightin'  
You don't know who to choose  
You're stuck in the middle  
And you can't lose Both sides are talkin'  
You've finally seen the light  
You'll get it together  
But not tonight You were born with it  
And now you got it the way you want it  
And you don't care  
'Cause nothin's gonna bring you down You were born with it  
And now you got it and, ooh, you flaunt it  
And you don't care  
'Cause nothin's gonna bring you down, no But she's not that kind of girl  
I'm tellin' all the world  
She was born  
The queen of the broken hearts She says she'll write you letters  
But that's not face to face  
She'll give you a number  
But it's not her place, oh Don't keep her waiting  
Now see what you have done  
You look in the mirror  
It ain't no fun You were born with it  
And now you got it the way you want it  
And you don't care  
'Cause nothin's gonna bring you down, no You were born with it  
And now you got it and, ooh, you flaunt it  
And you don't care  
'Cause nothin's gonna bring you down, no But she's not that kind of girl  
I'm tellin' all the world  
She was born  
The queen of the broken hearts 'Cause she's not that kind of girl  
I'm tellin' all the world  
She was born  
The queen of the broken hearts 'Cause she's not that kind of girl  
I'm tellin' all the world  
She was born  
The queen of the broken hearts She was born  
The queen of the broken hearts  
She was born

The queen of the broken hearts Yeah, yeah, yeah
