

Through the Woods

The Okee Dokee Brothers

I'm wonderin' if you'd go
Wandering with me
Through the wilderness and woods
Where the winds are blowin' free
Through the darkness of the night
Heading toward the morning light

I wonder,
if you'd wander with me And I'll spread the word

And you'll beat the drum
We'll round up the troops
And get the gang to come
And we'll leave the streets
And this neighbourhoods
Head over the river
And through the woods
You're wonderin' if I go
Wanderin' with you
What kind of trouble
We'll get ourselves into
Would it be wrong to tag along
With a band of vagabonds

You wonder,
If I'd wander with you And I'll spread the word

And you'll beat the drum
We'll round up the troops
And get the gang to come
And we'll leave the streets
And this neighbourhoods
Head over the river
And through the woods
I'm wonderin' if you'd come
Wanderin' my way
If you ever get lost
We're at the trail leads you straight
The music of the path
Can always bring you back

I wonder,
If we wander away And I'll spread the word
And you'll beat the drum

We'll round up the troops
And get the gang to come
And we'll leave the streets
And this neighbourhoods
Head over the river
And through the woods
