

# Kissin U

ë!°(Lyn)

Sparks fly, it's like electricity  
I might die when I forget how to breathe  
You get closer and there's nowhere in this world  
I'd rather be  
Time stops like everything around me  
It's frozen and nothing matters  
But these few moments when you open my mind  
To things I've never seen  
'Cause when I'm kissing you my senses come alive  
Almost like the puzzle piece I've been trying to find  
Falls right into place, you're all that it takes  
My doubts fade away when I'm kissing you  
When I'm kissing you it all starts making sense  
And all the questions I've been asking in my head  
Like are you the one? Should I really trust?  
Crystal clear it becomes when I'm kissing you  
Past loves, they never got really far  
Walls up, made sure I guarded my heart  
And I promise I wouldn't do this  
'Til I knew it was right for me  
But no one, no guy that I met before  
Could make me feel so right and secure  
And have you noticed I lose my focus?  
And the world around me disappears  
'Cause when I'm kissing you my senses come alive  
Almost like the puzzle piece I've been trying to find  
Falls right into place, you're all that it takes  
My doubts fade away when I'm kissing you  
When I'm kissing you it all starts making sense  
And all the questions I've been asking in my head  
Like are you the one? Should I really trust?  
Crystal clear it becomes when I'm kissing you  
I've never felt nothing like this  
You're making me open up  
No point even trying to fight this  
It kinda feels like it's love  
'Cause when I'm kissing you my senses come alive  
Almost like the puzzle piece I've been trying to find  
Falls right into place, you're all that it takes  
My doubts fade away when I'm kissing you  
When I'm kissing you it all starts making sense  
And all the questions I've been asking in my head  
Like are you the one? Should I really trust?  
Crystal clear it becomes when I'm kissing you
