Souls To Deny

Suffocation

Souls, souls to deny
Oppressed to a promised placeTo desire a place for you to die, unbeknownst to you thoroughly denied.
Expectations of a fruitful way to live, ungodly not to be achieved by you.
Evil lies, death denied
cursed to walk this pitiful existence
To be taught a certain way to be,
let down by the powers consuming meSouls, souls to deny
Oppressed to the promised placeGod has abandoned you pain and misery a gift to you.
How do I deserve all this despite this unholy place
Infliction of desires purging thoughts realized
