

Kismet

Silent Sanctuary

Didn't mean to take you for granted
Didn't mean to show I don't care
Didn't mean to throw away this once in a lifetime of chance
Being with youAnd I'll drive for 2 hours
To bring Butterfingers
I don't mind the distance
This kismet's a danceThis time I surrender
My everything forever
Life doesn't matter
Just our souls togetherPride no longer has room in me
On bended knees in public I cry
Your name for everyone to know that I love you, I love you
Please hear me now

memory
