

Dreaming of a City

Sweet Symphony

I've been dreaming of a city
far beyond the sky
where the suffering's over
get my wings and fly
when Jesus says it's over
oh what joy that will be
When it's no more dreaming
I'll behold that last.

I've been dreaming of a city Jerusalem
Jerusalem jerusalem
I've been dreaming of a city Jerusalem
my home right up in the sky.
ohhhh
sometimes I lose direction
saturn clouds my mind
but Jesus stands to remind me
that I'm a pass out through
Instead of losing heaven
I must look to the day
where it's no more Dreaming
I'll be home at last

I've been dreaming Of a city Jerusalem
Jerusalem Jerusalem
I've been dreaming of a city Jerusalem
my home right up in the sky
I've been dreaming of a city Jerusalem
Jerusalem Jerusalem
I've been dreaming of a city Jerusalem
my home right up in the sky
All my troubles
will be over
Just a little while to go
I shall see Him in face to face
Home right up in the sky All my troubles
Will be over
just a little while to go
I shall see him face to face
Home right up I the sky All my troubles
will be over

just a little while to go
I shall see him face to face
Home right up in the sky
All my troubles
will be over
just a little while to go
I shall see him face to face
Home right up in the sky I'm dreaming of a city
far beyond the sky
where the suffer is over
I'll be home at last
