

Many Rivers To Cross

[Tessanne Chin](#)

Many rivers to cross
But I can't seem to find my way over
Wandering I am lost
As I travel along the white cliffs of doverMany rivers to cross
And it's only my will that keeps me alive
I've been licked, washed up for years
And I merely survive because of my prideAnd this loneliness won't leave me alone
It's such a drag to be on your own
My man left me and he didn't say why
So, I guess I'll have to cryMany rivers to cross
But just where to begin I'm playing for time
There have been times I find myself
Thinking of committing some dreadful crimeAnd this loneliness won't leave me alone
It's such a drag to be on your own
My man left me and he didn't say why
So, I guess I'll have to cryOh I've got many rivers
But just where to begin oh playing for time
And there have been times I find myself
Thinking of committing some dreadful crimeSaid I've got many, many, many rivers
White cliffs of Dover I walk over
