I Ain't Scared

Carolina Rain

Angles and demons it's all make believeSearch for the truth and tell me what you see
Don't try and shit me and tell me you're content
You live your life in fear of death
I ain't scared to die, fuck itI ain't scared to die, scared to die.
It is difficult to free fools from the chains they revere
It is difficult to free fools from the imprisonment, minds in chains.
Truth be told the real demons walk the earth, you & I
Truth be told the real demons walk the earth, me & you
