

Last Call for Love

Bobby V

Ooh oh, ooh oh, ooh oh

Ooh oh, ooh oh, ooh oh

Ooh oh, ooh oh, ooh oh

Ooh oh, ooh oh Now I can't believe that it's over, it's done now. Finito.

Guess I'll be on my way. It's just like 3 AM in the club, and this the last call for love.

For love

(For love)

For love

(For love)

For love

When it's the last call for love.

For love

(For love)

For love

(For love)

For love

When it's the last call for love. Ooh oh, ooh oh, ooh oh

Ooh oh. It's the last call for love.

Ooh oh, ooh oh, ooh oh

Ooh oh. It's the last call for love. Shawty what it do, you know I'm feeling you, but what we're going through, I can't take that.

Used to be a man, now you're just a fan, this wasn't the plan, that I intended. Tick tick tock tock, on the on the clock.

Get a waiter and some lunch girl, I done had enough.

If you're ready we can go girl, we can go girl.

Before the lights come on, and our love is gone. Now I can't believe that it's over, it's done now. Finito.

Guess I'll be on my way. It's just like 3 AM in the club, and this the last call for love.

For love

(For love)

For love

(For love)

For love

When it's the last call for love.

For love

(For love)

For love

(For love)
