

# I Ran

## A Flock of Seagulls

I walked along the avenue  
I never thought I'd meet a girl like you  
Meet a girl like youWith auburn hair and tawny eyes  
The kind of eyes that hypnotize me through  
Hypnotize me throughAnd I ran, I ran so far away  
I just ran, I ran all night and day  
I couldn't get awayA cloud appears above your head  
A beam of light comes shining down on you  
Shining down on youThe cloud is moving nearer still  
Aurora Borealis comes in view  
Aurora comes in viewAnd I ran, I ran so far away  
I just ran, I ran all night and day  
I couldn't get awayReached out a hand to touch your face  
You're slowly disappearing from my view  
Appearing from my viewReached out a hand to try again  
I'm floating in a beam of light with you  
A beam of light with youAnd I ran, I ran so far away  
I just ran, I ran all night and day  
And I ran, I ran so far away  
I just ran, I couldn't get away
