Live A Lifetime Love

The Avalanches

When I was a child and I ran aroundAll you kids are the same today
All you wanna do is play
You never want to work, or take any responsibility
(True!)Live a love, live a lifetime loveA.D.D. we at it again
Just doing some horrendous shit with my friends
We smoke out in public, sip beer out the can
That's just how we function, we don't give a fuck, I'm not sure if I can
I pull out a twelve foot, when they're too much they call me advancing
And now they just call the police
'Cause I'm 23 and black and won't pull up my pants
They say I'm a thief (they say I'm a thief)
They callin' me thug (they callin' me thug)
They say I'm a killer (they say I'm a killer)
I just say "wassup?" (I just say "wassup?")
They say I'm a thief (they say I'm a thief)
They callin' me thug (they callin' me thug)
They call me a killer (they say I'm a killer)
I just say "wassup?"We be drivin' drunk, smokin' blunts, runnin' red lights
We be drivin', whyShit
Put your hands off the steering wheel, please
Put it on the seat
License and registration please
Put that weed out
You know I pulled you over, right?
(yeah, yeah) We got a couple, you know
(hours) A Couple hours, haha
Yeah, you know
I mean, I'm sitting in my treehouse with a cup of coffee
We havin' a ball op here
Wildthing, I think I love you
