Running With Scissors (Post-Hardcore.COM)

I See Stars

The truth cannot be anymore clear
And I'm not asking you to hold on
It's everything that you ever feared
I know you're trying so hard to move on
It kind of feels like someone
Replaced the heart that once was yours
I'm trying hard to be someone
But falling short of the person
I want to be
I want to beSo I'll pretend I'm letting go
While you're dancing in the past without colors
You'll be the one
Running away in my nightmares
I'm letting go
You said you'd never ever look back
You'll be the one
Running away in my nightmares
Trying hard to be someone
But falling short of the person I want to be
