

Step Out

José González

Time to step outside, time to step outside
Time to step out, time to step out
Time to step outside, time to step outside
Time to step outside you.

House on fire, leave it all behind you.
Dark as night, let the lightning guide you.

Time to step outside, time to step outside
Time to step outside you.

House on fire, leave it all behind you.

Living life, feeding appetites.
Stayed through every hard stop, every go.
Being blank
Breathing half the time.

House on fire, leave it all behind you.
Dark as night, let the lightning guide you.

Time to step outside, time to step outside
Time to step out, time to step out

Wrote to Monday
Something's not the same
Blank head, crossed eyes sweep the floor.
Feel your presence,
in your absence shut the door.

House on fire, leave it all behind you.
Dark as night, let the lightning guide you.
