

I Got a Thang for You (feat. Keyshia Cole)

Trina

(Yeah)

Ladies, (Yeah)

Have you eva' had a thing for somebody

And it was just so deep

And you wanted to tell him so bad

But you just couldn't find the words?

Listen I gotta thing for you baby you know

Don't wanna take it slow

I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thing for you

(For you)

I gotta thing for you baby you know

Don't wanna take it slow

I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thing for you,

Baby you know I gotta thing for you and it hurts me

Cause I'm holdin' back I'm so thirsty

When I open wide, you better work inside

But promise that you wont hurt me wit

(Here we go, here we go again)

Cause I ain't got time for lies

This time ain't lookin' (for a friend) I need a man thats gon wine and dine me

Every time you look you find me

Bell-hoppin he buyin' me

And plus he all mine see

He Brad Pitt, I'm Jolie

When we together we always sing

(K-I-S-S-I-N-G)

I gotta thing for you so how you feel bout me?

Ah I gotta thing for you baby you know

Don't wanna take it slow

I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thing for you

(For you)

I gotta thing for you baby you know

Don't wanna take it slow

I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thing for you,
Baby you know Damn you got me wide open
And I know you sayin' that I'm jokin'
Cause the boys in the past, they just couldn't last
But for some reason I think u been chosen
(Heaven sent, don't wanna walk away)
Just hold me tightly up in you arms
And tell me (everyday) That you ain't never gon' leave me heartbroke
Promise to give a good long stroke
Boy this for-real and this ain't no joke
Thought I was dreamin' but I know I'm woke
What you done did that got me so gone
Feels so right that this cant be wrong
Hangin' up and right back callin' yo phone
Cause I go crazy when I hear ya voice tone
Ah And you know
I can't wait to see your face again
(Again boy)
And you know
I'm hopin' we can work this thing out
Every time that I'm alone
I'm thinkin' bout us and where we could be
That's how I know I gotta a thing
For you baby, yeah you know I gotta thing for you baby you know
Don't wanna take it slow
I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thing for you
(For you)
I gotta thing for you baby you know
Don't wanna take it slow
I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thing for you,
Baby you know (The way you love me)
The way you love me, the way you love me
The way you touch me, the way you touch me
The way you love me, the way you love me
The way you touch me, the way you touch me
