

# Original Sin (Theme from the Shadow)

## Taylor Dayne

I've been looking for an original sin  
One with a twist and a bit of a spin  
And since I've done all the old ones  
Till they've all been done in  
Now I'm just looking  
And I'm gone with the wind  
Endlessly searching for an original sin  
You can dance forever  
You've got a fire in your feet  
But will it ever be enough  
You know that it'll never be enough  
You can fly and never land  
And never need to sleep  
But will it ever be enough  
You know that it'll never be enough  
It's not enough to make the nightmares go away  
It's not enough to make the tears run dry  
And who knows what evil lurks in the hearts of men today  
It's a city of shadow  
It's a city of light  
It's a city of secrets  
It's a city of pride  
It'll all be over now  
All I wanted was a piece of the night  
I never got an equal share  
When the stars are out of sight  
And the moon is down  
The natives are so restless tonight  
All I needed was a spot in the light  
It never had to get so dark  
When the stars are out of sight  
And the moon is down  
The natives are so restless tonight  
I've been looking for the ultimate crime  
Infinite victims, infinitesimal time  
And I'm so, so very guilty for no reason no rhyme  
So now I'm just looking and I'm killing some time  
Endlessly searching for the ultimate crime  
You can lose yourself in pleasure  
Till your body's goin numb  
But will it ever be enough  
You know that it'll never be enough  
It's not enough to make the nightmares go away

It's not enough to make the tears run dry  
And who knows what evil lurks in the hearts of men today  
It's a city of shadow  
It's a city of prideIt'll all be over now  
All I wanted was a piece of the night  
I never got an equal share  
When the stars are out of sight  
And the moon is down  
The natives are so restless tonightI've been looking for an original sin  
One with a twist and a bit of a spin  
And since I've done all the old ones  
Till they've all been done in  
Now I'm just looking  
And I'm gone with the wind  
Endlessly searching for an original sinI've been looking for an original sin  
One with a twist and a bit of a spin  
And since I've done all the old ones  
Till they've all been done in  
Now I'm just looking  
And I'm gone with the wind  
Endlessly searching for an original sinI'm applying for a license to thrill  
Going out on the edge, moving in for the kill  
And they'll be hell to pay someday  
Put it all on the bill  
Cause we'll always be paying and paying until  
We're beyond expiration with a license to thrillI've been looking for an original sin
