

# May These Noises Startle You In Your Sleep Tonight

## Pierce the Veil

If you wanted to set me free.  
Why the fuck wouldn't you say something?  
See, I was just over 17.  
Made of poison, you killed me.  
Oh no, please, don't abandon me.  
Mother, Father, i love you so.  
But this is just me disguised as me.  
I'm the killer who burned your home!  
THIS HOME!  
THIS IS THE STREET YOUTH RISING UP!
