Stay With Me (Baby)

Soundtrack

Where did you go when things went wrong baby
Who did you turn to to find a shoulder to lay on
Oh wasn't I there
Didn't I take good care of you

Oh no I can't believe you're leavin' me
Stay with me baby
Stay with me baby
Stay with me baby
I just can't go on this way

Who did you touch when you needed tenderness baby
I gave you so much and in return I felt happiness
What did I do
Maybe I was too good, too good to you

Oh no I can't believe you're leavin' me
Stay with me baby
Stay with me baby
Stay with me baby
I just can't go on

Do you remember said you'de always gonna need me
Remember you said you'd never ever leave me
Remember, remember
I can't help but lovin' you and wantin' you

Stay with me baby
Why won't you just stay with me baby
Come on please stay with me baby
I'll keep lovin' you and wantin' you

Stay with me baby
Why won't you just stay with me baby
Please stick with me baby
I need you to stay
Come on why won't you stay
