

# Animal

## Stuck Mojo

Warm-blooded, god-fearing and I bleed red.

Primal Instinctive like my meat dead! Who's not a sinner oh what a winner suffering  
my gut 'cause I'm greedy as @%#. Animal! Nocturnal.

Savage my heart's cold.

Trash mouth, ill-tempered and you know I'm bold! Who's not a sinner oh what a winner suffering  
my gut 'cause I'm greedy as @%#. Animal! Out of my mind, losing my soul the natural beast has taken control.

Will I kill or be killed?

Animals prey on the weak in order to live.

I'm surviving and I thrive of the scent of scare that is in the air.

I do want to do.

Does that make me an animal to you? Animals ~ Just like you and me.

Animals ~ Surviving to be free.

Animals ~ Blood thirsty human being.

Animals ~ Can you cage the Beast!?! Womanizing.

Chauvinist I lick clits.

Drinking fools straight up pagan I'm a sexist. Who's not a sinner oh what a winner suffering  
my gut 'cause I'm greedy as @%#. Animal!
