Rainmaker

Yanni

Que tienen tus ojos, gitana morena [What is in your eyes, brown skinned gypsy]
Ay, ay, ay, ay
Hechizo de luna que me enloqueci [moon spell that made me crazy]The rest is an harmonic nonsense - 'engualar, gualab, ol, ol, loleilo' that don't mean anything- but is normal in 'cante jondo' and a repetition of the above lyrics
