

We Need a Little Christmas

[LeAnn Rimes](#)

Haul out the holly
Put up the tree before my spirit falls again
Fill up the stocking
I may be rushing things, but deck the halls again now For we need a little Christmas
Right this very minute
Candles in the window
Carols at the spinet Yes we need a little Christmas
Right this very minute
It hasn't snowed a single flurry
But Santa, dear, we're in a hurry So climb down the chimney
Put up the brightest string of lights I've ever seen
Slice up the fruitcake
It's time we hung some tinsel on the evergreen bough For we've grown a little meaner, grown a little colder
Grown a little sadder, grown a little older
And we need a little angel sitting on our shoulder
We need a little Christmas now We need a little Christmas
Right this very minute
Candles in the window
Carols at the spinet
And we need a little Christmas
Right this very minute
We need a little Christmas now
We need a little Christmas now
