

# Anybody out there?

## Ironica

Wanna be your dog, wanna be your man  
Let's break the speed of sound  
'Cause we're goin' way too fastLookin' for love? Lookin' for a lover?  
Let me ask ya  
Is there anybody out there?I'm gonna die, you're gonna die  
We gotta live for tonight  
'Cause we're runnin' out of timeLookin' for a lover?  
Let me ask ya  
Is anybody out there?Wanna be your dog, wanna be your man  
Let's break the speed of sound  
'Cause we're goin' way too fastLookin' for a lover?  
Let me ask ya  
Anybody out there?
