

# Shadow Of A Doubt

## Amil Byleckie Band

[Verse 1]

This could be our night,  
Our bodies haven't lined themselves,  
We might not lose our sight,  
From pouring over,  
Details of our life from what we've done,  
There's no difference if tomorrow never comes,  
It wont be long,  
Just don't give up,  
I need you now.

[Chorus]

Alright! We're alright!  
Just don't give up,  
I need you now,  
Alright! We're Alright!  
Just don't give up,  
I need you now tonight...

[Verse 2]

Time is creeping by,  
I'm terrified, I'm wondering,  
I failed to recognize, the shadow of a doubt,  
Your eyes can never lie,  
But I wish they could, I wish they could tonight,  
I need a sign,  
To give you hope, To hold you close

[Chorus]

Alright! We're alright!  
Just don't give up,  
I need you now,  
Alright! We're Alright!  
Just don't give up,  
I need you now tonight...

[Verse 3]

I've cast all my holes at your soul,  
The scene seems less [Unknown word] than before,

[Chorus]  
Alright! We're alright!  
Just don't give up,  
I need you now,  
Alright! We're Alright!  
Just don't give up,  
I need you now,  
Alright! We're alright!  
Just don't give up,  
I need you now,  
Alright! We're Alright!  
Just don't give up,  
I need you now tonight...
