

If You Love Me?

Mary J Blige

Yeah, yeah, yeah

(Yes, yes, yes, yes, yes, yes, yes)

Yeah, yeah, yeah

(Yes, yes, yes, yes, yes, yes, yes) Hey, every since we've been together

It's been great and I can really see myself with you forever

I said hey, I'm pretty much okay

But I still must say if we gon' stay solid

Then hey, there's a few little things

That I've been meaning to bring to your attention partner If you love me like you say you do

Hold me, show me, act like I'm really the one

Aw, babe if you love me like you say you do

Kiss me, fix me up like I'm all that you got Yeah, you like to tell me what you're worth but that's alright

I'd rather see in your actions 'cause they don't lie

So if you love me like you say you do

Then you really hear me, feel me Now for the past 3 weeks you've been dipping, slipping, running 'round

Through the city, through the town, wait, what you doing boy?

If you wanna be with me, act like you be with me

What I look like waiting 'round? Stop, let me tell you boy Hey, I'm digging your ambition

Like that you're on a mission and I wouldn't be trippin

But hey, you know that love gets tested

And I expect for you to treat me the best If you love me like you say you do

Hold me, show me, act like I'm really the one

Aw, babe if you love me like you say you do

Kiss me, fix me up like I'm all that you got Ooh, you like to tell me what you're worth but that's alright

I'd rather see in your actions 'cause they don't lie

So if you love me like you say you do

Then you really hear me, feel me See, you gotta remember the way that you got me

Cause that's the way you'll remember the way to keep me

Spend some time, make me smile

Yeah, yeah, yeah, ladies help me sing You gotta remember the way that you got me

Cause that's the way you'll remember the way to keep me

Spend some time, make me smile

Yeah, yeah, yeah If you love me like you say you do

Hold me, show me, act like I'm really the one

Woo boy if you love me like you say you do

Kiss me, fix me up like I'm all that you got Woo, you like to tell me what you're worth but that's alright

I'd rather see in your actions 'cause they don't lie

So if you love me like you say you do

Then you really hear me, feel me Yeah, yeah, yeah

(Yes, yes, yes, yes, yes, yes, yes)

Yeah, yeah, yeah

(Yes, yes, yes, yes, yes, yes, yes)
