All Night Worker

Rufus Thomas

Iâ€™m an all night worker
And it fits me to a â€œTâ€•
Iâ€™m an all night worker
And it fits me to a â€œTâ€•
And if you need some lovinâ€™
Baby, why donâ€™t you call on me

Iâ€™m an all night worker
Baby, you are just my speed
Iâ€™m an all night worker
Baby, you are just my speed
And if your man donâ€™t have it
I got everything you need

Call me four oâ€™clock in the morning
I liked it better like that
Satisfaction guaranteed or you get your money back!
Iâ€™m an all night worker
And it fits me to a â€œTâ€•
And if you need some lovinâ€™
Baby, why donâ€™t you call on me
