Going Around One More Time

James Taylor

My heart had been broken
And I couldn't take no more
I shuttered up my windows
And I bolted tight my door
Then I took one look at you
And I nearly lost my mind
Chorus:
Now I'm going 'round going 'round
Going 'round going around one more time
Yes I'm going 'roung going 'round
Going 'round goung around one more time
Betty was a little heartbreaker
It didn't quite work out
She did a number on my confidence
I was riddled with self doubt
I said that's it I'm through I quit

The juanita she looked so fine.
Chorus
'round and 'round in a circle
It's always the same
One moment you swear you've had enough
The next you've got to know her name
All on my own it wasn't that bad
I was getting by as I could get
I stopped into a drug store
For one pack of cigarettes
She did't have a quarter
Had to call her cousin kate
And could I lend her maybe
One thin dime
Chorus
