

# Going Around One More Time

James Taylor

My heart had been broken  
And I couldn't take no more  
I shuttered up my windows  
And I bolted tight my door  
Then I took one look at you  
And I nearly lost my mind

Chorus:

Now I'm going 'round going 'round  
Going 'round going around one more time  
Yes I'm going 'round going 'round  
Going 'round going around one more time

Betty was a little heartbreaker

It didn't quite work out  
She did a number on my confidence

I was riddled with self doubt  
I said that's it I'm through I quit

The juanita she looked so fine.

Chorus

'round and 'round in a circle

It's always the same

One moment you swear you've had enough

The next you've got to know her name

All on my own it wasn't that bad

I was getting by as I could get

I stopped into a drug store

For one pack of cigarettes

She didn't have a quarter

Had to call her cousin Kate

And could I lend her maybe

One thin dime

Chorus
