## Health

Let the guns go off  
Let the bombs explode  
Let the lights go darkLife is good  
Life is goodLet the guns go off  
Let the bombs explodeOh just once  
We'll be gone before we know  
Question how will we go  
Will we see the ones we've lost?  
Oh, just once  
You'll see the ones I've lost  
But how would I know  
To see the ones I've loved?
