But I Do Love You

Secret Piano

I don't like to be alone in the night
And I don't like to hear I'm wrong when I'm right
And I don't like to have the rain on my shoes
But I do love you, but I do love youI don't like to see the sky painted gray
And I don't like when nothing's going my way
And I don't like to be the one with the blues
But I do love you, but I do love youLove everything about the way you're loving me
The way you lay your head
Upon my shoulder when you sleep
And I love to kiss you in the rain
I love everything you do, oh I doI don't like to turn the radio on
Just to find I missed my favorite song
And I don't like to be the last with the news
But I do love you, but I do love youLove everything about the way you're loving me
The way you lay your head
Upon my shoulder when you sleep
And I love to kiss you in the rain
I love everything you do, oh I doAnd I don't like to be alone in the night
And I don't like to hear I'm wrong when I'm right
And I don't like to have the rain on my shoes
But I do love you, but I do love you
But I do love you, but I do love you
