

# But I Do Love You

## Secret Piano

I don't like to be alone in the night  
And I don't like to hear I'm wrong when I'm right  
And I don't like to have the rain on my shoes  
But I do love you, but I do love youI don't like to see the sky painted gray  
And I don't like when nothing's going my way  
And I don't like to be the one with the blues  
But I do love you, but I do love youLove everything about the way you're loving me  
The way you lay your head  
Upon my shoulder when you sleep  
And I love to kiss you in the rain  
I love everything you do, oh I doI don't like to turn the radio on  
Just to find I missed my favorite song  
And I don't like to be the last with the news  
But I do love you, but I do love youLove everything about the way you're loving me  
The way you lay your head  
Upon my shoulder when you sleep  
And I love to kiss you in the rain  
I love everything you do, oh I doAnd I don't like to be alone in the night  
And I don't like to hear I'm wrong when I'm right  
And I don't like to have the rain on my shoes  
But I do love you, but I do love you  
But I do love you, but I do love you
