Weird Science

Scratche

You're turning me on
Oh oh oh oh
Oh oh oh oh
Turning me onI've found the perfect love, feels like weird, weird science
Tryin' shake it off; well, I swear I'm trying
Oh, oh, oh, feels like weird, weird science
Oh, oh, oh, feels like weird, weird scienceHis brain is so amazing
Insane, I'm going crazy
Weird science, weird science, weird science, weird science
Like Frankenstein
He has my heart and my mind
Weird science, weird science, weird science, weird science
My heart goes bah bah bah bah bah
I get so high, ha ha ha ha haYou're turning me on
Oh oh oh oh
Oh oh oh oh
Turning me onI've found the perfect love, feels like weird, weird science
Tryin' shake it off; well, I swear I'm trying
Oh, oh, oh, feels like weird, weird science
Oh, oh, oh, feels like weird, weird scienceI've found the perfect love, feels like weird, weird science
Tryin' shake it off; well, I swear I'm trying
Oh, oh, oh, feels like weird, weird science
Oh, oh, oh, feels like weird, weird scienceSatellites, glowsticks, UFOs
Can't get in this bitch without your space clothes
You know they call me the pooper scooper, you the shit
Who you with?
Closing wrists and you know my flow is sick, more hits than you know exist, bitch!
But I'm in love with the one from my computer
Let's meet up, let's do this
Are you really really real and true?
Can't be true to the virtual world
I'm a virtuous girl
Your love potions gonna hurt this girl
But if you buy it, then I'mma try it
Weird scienceI've found the perfect love, feels like weird, weird science
Tryin' shake it off; well, I swear I'm trying
Oh, oh, oh, feels like weird, weird science
Oh, oh, oh, feels like weird, weird scienceI've found the perfect love, feels like weird, weird science
Tryin' shake it off; well, I swear I'm trying

Oh, oh, oh, feels like weird, weird science
Oh, oh, oh, feels like weird, weird scienceWe-e-e-e-e-e-ird, weird, weird, weird, weird science
We-e-e-e-e-e-ird, weird, weird, weird, weird science
Weird weird weird science
Weird science
Stop and talk your way into weird science
Turning me on, turning me onI've found the perfect love, feels like weird, weird science
Tryin' shake it off; well, I swear I'm trying
Oh, oh, oh, feels like weird, weird science
Oh, oh, oh, feels like weird, weird scienceI've found the perfect love, feels like weird, weird science
Tryin' shake it off; well, I swear I'm trying
Oh, oh, oh, feels like weird, weird science
Oh, oh, oh, feels like weird, weird science
