

# Gravity (Remix) [Radio Edit]

Zlata Ognevich

Nothing comes from dreams but dreams  
Still you believe in wonder  
Something happens and it seems  
Like a strike of thunder Nothing comes from love but love  
Why is it growing stronger?  
I am falling from above  
I will wait no longer Im like a butterfly  
Spinning round a sword as if to dare  
I should have stayed up high  
(Its stronger than me) My gravity, my gravity Hey sha  
Ah yeah lele  
See lele Nothing comes from pride but pride  
Mmh my way is clear  
Dancing on the edge tonight  
Now I feel no fear Im like a butterfly  
Spinning round a sword as if to dare  
I should have stayed up high  
(Its stronger than me) My gravity, my gravity Im like a butterfly (My gravity)  
Im like a butterfly  
And I should have stayed up high  
(Its stronger than me) My gravity, my gravity Gravity!
