

# Forever More

## Ben Vegas

And if I drown in this sea of devotion  
Just a stone left unturned  
My need is deep wide endless oceans  
Feel it furious the fire burns on  
Let there be love, everlasting  
And it will live eternally  
Will we receive without ever asking?  
I'm just curious  
Got to find me somebody  
But there's nobody to love me  
And it's driving me crazy  
There's nobody to love me  
Somebody tell me  
How could there be nobody, nobody to love me  
And this life is so empty  
There's nobody to love me  
Endless tears, forever joy  
To feel most every feeling, forever more  
Endless tears, forever joy  
To feel most every feeling, forever more  
Endless tears, forever joy  
To feel most every feeling, forever more  
Endless tears, forever joy  
To feel most every feeling, forever more  
And if I drown in this sea of devotion  
Just a stone left unturned  
My need is deep wide endless oceans  
Feel it furious the fire burns on  
Let there be love, everlasting  
And it will live eternally  
Will we receive without ever asking?  
I'm just curious  
Don't want to see me crying  
Just want to see me flying  
I need to get so high and  
Want somebody to blow my mind  
Don't want to see me crying  
Just want to see me flying  
I need to get so high and

Want don't you blow my mind  
Blow my mind, blow my mind  
    Got to find me somebody  
        But there's nobody  
            To love me  
                Anybody could love me  
                And it's driving me crazy  
                There's nobody to love me  
                Anybody could love me  
                Somebody to hold my hand  
                Someone who understands  
                Somebody to help me write  
                    The poetry of life  
                    Someone to love me  
                    Someone who loves me  
                        Ooh baby  
                        Endless tears, forever joy  
                To feel most every feeling, forever more  
                    Endless tears, forever joy  
                To feel most every feeling, forever more  
                    Endless tears, forever joy  
                To feel most every feeling, forever more  
                    Endless tears, forever joy  
                To feel most every feeling, forever more  
                    Got to find me somebody  
                    But there's nobody to love me  
                        And it's driving me crazy  
                    There's nobody to love me  
                        Most every feeling  
                        Most every feeling
