

I Will Get On (Stefano Noferini & Marini Remix)

Annie

(verse)

Well I know
it wasn't really meant to happen
I tried to
you never ever cared to listen
You say you don't want me around
when I am feeling down
and won't be there to hold my hand
If I don't see your face again
I guess I need a brand new friend
who will be there in every way(chorus)

Hey come along and watch my game
why can't you see
I don't need anyone?

All on my own I will get on
remember you will be the only one
the lonely one(bridge)

Ooh, why
you make it feel like it is
you and I
when there is nothing left to
what we had
it took me much too long to see
that I

I will get on(verse)
Take your time
and realize your misdemeanor
Then you'll find
your selfish happy days are over
If I could ever turn back time
I wish you could be my
everlasting, trusted friend
I must been blind I couldn't see
that you were never meant for me
How stupid could I be?
