

Who Am I

Ace of Base

I was born in the shadows
Under the Iberian sun
I was the dawn of the valley
Under the Iberian sun I once was a sinner
But who was not?
I really liked to rumble and hustle a lot
But where is the key monster
He is not here
I am just a gatekeeper
Now so sincere
Now so sincere
Now so sincere Who am I
What is the purpose
Who am I
And where do I flee?
Who am I
I'd like to remember
Who am I
And who do I want to be
Who do I want to be
Who am I
and who do I want to be I went down to the river
Trying to find peace in my mind
In the throw
I saw you glimmer
The desire for you made me blind
I first saw you at the distance
When the moons at its height
I came to get to know you
A disclosure so bright
I knew, in my heart
When your flair made me swoon
I am just a prisoner
In search of my tune
