

Fooled Me Again, Honest Eyes

Lady Gaga

See the lonely girl
Out on the weekend
Tryin to make it pay
She can't relate to joy, ohh
She tries to speak it
Can't begin to sayThe boy fooled me again
Oh oh he loves me all up
But I'm so down today
See the lonely girl
In Hollywood on the weekend
Try to make it payIt's been a hard day
Harder night
The rockstar's girlfriend
She lost the fight
Well it's alright baby
I'm nobody's mother
But I don't want this last cigarette to be overYou fooled me again
Fooled me again
With your
Honest honest honest eyes
Again fooled me again
With your dirty mouth
Full of honest lies
Uh oh
Again oh when you fooled me again Oh yeah
You're so honest
Full of shhh
Honest eyesIt's been two days
Since he left home
She dried her eyes
Picked up her microphone
She sang, it's alright baby
I'm nobody's mother
Just don't want this last
cigarette to be over, you knowYou fooled me again
Fooled me again
With your honest
Honest honest eyes
Again fooled me again

With your dirty mouth
Full of dirty lies
Again oh when
You fooled me again
Oh yeah
You're so honest
Full of shhh
Honest eyes You fooled me again
Fooled me again
With your honest
Honest honest eyes
Again, fooled me again
With your dirty mouth
full of those rust out New York lies
Again oh when you fooled me again Oh baby yeah
You're so full of it
At least youre honest eyeeyeeyeeyeeyes
Again honest honest
you're so freakin honest
na na nana na na nanananana
you're so full of it
at least your honest
Eyes
