

Gotta Believe It

Saigon

[Talking: Trey Songz]

Just letcha mind go and take ya body with me

S O N G Z

Ya gotta believe it (ooo oooh)

Cause it's the truth (ooohhhhh)

No doubt

Listen I could put you in a song baby

See this is Songz baby

I can put you on like a city, what you missin I could give you what you want baby girl

Listen when I say this

(I could) Take you to Vegas

Chillin in da Palms, have you gone see the room with the Pose my favorite one

And you look so goood

Understand why you work here

Put you on the cover of the smooth what it do won't u hit this purp here I got a couple stacks and I'm a throw em
while you shakin

Babygirl I'm here for the takin

Let's hop in my coouuuup and lllleeeaaaavvve Girl you betta believe it

Not Not I'm no phoney

Not Not I'm not homie

Right now and till the morning girl You don't understand, I wanna play in your (haaaaiirr)

While you're layin down (theerree)

After I make ya (yeeellllll) Ya know what I mean?

I don't wanna scare, wanna touch you right theerree

I wanna stay down (theerree)

I wanna play now (yeeaaaa)

Tell me what you need You like sushi oh?

(Well shit) I bet ya like Tokyo Yo badass, First Class International

I'll have ya hollerin (Oohhh)

Somewhere in Holland (Oohhhh)

I'll be givin you the Deed, Then we'll fly across the sea and touch down on the island

Cause you look so goooooood

Lemme put it on ya

Don't be actin up, won't cha back it up baby stack it up on me (lego my eggo) Betta believe it

Not Not I'm no phoney

Not Not I'm not homie

Right now till the morning giiiirllll (Oohhhh) You don't understand, I wanna play in your (haaaaiirr)

While you're layin down (theerree)

After I make ya (yeeellllll) Ya know what I mean?

I don't wanna scare, wanna touch you right theerree
I wanna stay down (theerree)
I wanna play now (yeeeeaaaa)Yooouuuuuu don't understand I wanna rub ya back I
Wanna kiss yo neck and below yo neck, girl you know what's next
Ooooh looowww
I'm gon goooooooooo
A nigga might drown,[Song starts to Fade:]
Won't cha save me baby? (baby)
Don't cha play me baby (baby), I could be ya baby (baby)
I won't make this too long, I'm done with this song
Done with this song
Dooooonnnneee with the soooong
Fade me out
Faaaaaade while I'm doin something dope
I think that this is something dope
And we gonna fade on that note[Fading:]
You don't underastand I wanna play in ya haaaiiiiirr (whoaaah)
While you're playin down thheerrreeee
