Annie laurie: to agnieszka

Loo loo loo loo loo loo loo loo loo loo loo loo loo loo loo loo loo

Maxwellton braes are bonnies where early fa's the dew

And it's there that annie laurie gave me her promise true

Gied me her promise true which n'er forgot shall be

And for bonnie annie laurie I'd lay me doon and dee

Her brow is like the snowdrift ner neck is like the swan

Her face is the fairest that e'er the sun shone on

That e'er the sun shone on and dark blue is her eye

And for bonnie annie laurie I'd lay me doon and dee

Like dew on the ground lying is the fa'o her fair feet

And like winds in summer sighing her voice is low and sweet

Her voice is low and sweet and she's all the world to me

And for bonnie annie laurie I'd lay me doon and dee

Loo loo loo loo loo loo loo loo loo loo loo loo loo loo

I'd lay me doon and dee

Doon and dee
