## Molly Nilsson

let's be friends forever  
real friends are hard to find  
yeah, I hope we'll sleep together  
at least ten years to lifewill you visit me in prison  
will you bail me out of jail  
will you bake me cakes with files  
will you help me to escapeeverything must fall one day  
strongest ropes and chains will break  
there's nothing more to that than gravity  
there are worse things that could be scaring me  
you know there's nothing I wouldn't do  
hell I'd break the law for youcause I know you'd visit me in prison  
I know you'd bail me out of jail  
I know you'd bake the cakes with files  
I know you'd help me to escapelast night I dreamt we were forgiven  
but it was more than just a dream  
all the lives that we've been living  
weren't enough as bad as it seemed  
the kind of release we're always waiting for  
takes a friend to open that dooryou know I'd visit you in prison  
I'd get the cash for your bail  
you know I'd bake you cakes with files  
and arrange the ride for your escapeI'll be waiting by the gate
