Imago

all seats are taken
when youre having fun
im the least of your priorities,you go and leave me hanging
while i make all the wishes
and im bound to explain
whats been done herei call all the time
and burn all the lines
just to hear you. but youre leaving!you say you wanna be right
in the midst of this fight.standing room only.
im just a face in this crowd
you say you wanna live your life alone
i cant help but worry
when youve gambled all the aces
and im trapped into saying
i want you back!
