

# You Gotta Choose

[Fink](#)

You gotta choose, you gotta choose  
Who's going home with you tonight  
And is it me, is it me, I gotta know where we go from here  
Red, amber, green, amber

You gotta choose, yeah, you gotta choose  
Where it all ends, where it all begins  
And is it me, is it me or is this whole game just about who wins  
Red, amber, green, amber, green

You gotta choose, you gotta choose  
Is it left or is it right  
And is it me, is it me [Incomprehensible] gangsters tonight  
Green, red, amber, green, amber, red, green

You gotta choose which way we go  
I'm completely lost
