Driver's seat.

Sniff 'n' the Tears

Doing alright
A little jiving on a Saturday night
And come what may
Gonna dance the day awayJenny was sweet
She always smiled for the people she meets
On trouble and strife
She had another way of looking at lifeNews is blue (the news is blue)
Has its own way to get to you
What can I do (what can I do)
I never remember my time with you
Pick up your feet
Got to move to the trick of the beat
There is no elite
Just take your place in the driver's seatDriver's seat, oohoo, driver's seat, yeahDoing alright
A little jiving on a Saturday night
And come what may
Gonna dance the day awayDriver's seat, oohoo, driver's seat, yeah
Jenny was sweet
There is no elite
Pick up your feet, pick up, pick up
Pick up your feet, gonna dance the day awayDriver's seat, oohoo, driver's seat, yeah
Driver's seat, oohoo, driver's seat, yeah
Driver's seat...
