This Is The House

Eurythmics

[Foreign Content]This is the house, this is the hill
This is the story it's a little thing
A lock of hair, an invisible smoke trail
This is your shadow
Everything changes
This is your picture, it's in black and white
This is the family having a party
There's a crack in the ceiling and there's an open door
Nothing there but the dust and the rust
Everything changes
[Foreign Content]
Gone, gone, gone, gone
Gone, gone, gone, gone
This is the house, this is the hill
This is the story it's a little thing
A lock of hair, an invisible smoke trail
Nothing there but the dust and the rust
Everything changes
[Foreign Content]This is the house
