

# Like The Average Stalker

## Soilwork

I think you just forgot to tell me why, Why I was fading out  
Again Why my mask of sanity was slipping off again, my  
Friend Beware of hatred when your time stands still [Chorus: x3]  
Like the average stalker Forge to forgive Like the average stalker I'm just sliding, disappear into the night Like a  
strange and  
A forgotten light One, two, three, four and I'm at your door  
Calculating infinity In my silence where no one else can  
Hear, What is right, what is wrong (right, wrong) In  
My silence where no one else forgives Where the sane  
And insane strikes together as one [Chorus] Where is the fire, it makes no sense at all I'm just  
Hiding beneath the hour Disabled through affliction I  
Can't reach out Reach out, reach out In my silence  
Where no one else can hear What is right what is  
Wrong (right, wrong) In my silence where no one else  
Forgive Where the sane and insane strikes together as  
One with a violent work of art I proceed, in this lack of  
Faith I get what I need, what I need! [Chorus] Like the average stalker, Forge to forget, Like the  
Average stalker, Like a silent talker, Like the average  
Stalker
