Lose Again

Karla Bonoff

Save me,
Free me from my heart this time.
The train gone
Down the track and I've stayed behind.But nothing can free me
from this ball and chain
I've made up my mind
I would leave today.But you're keepin'
Me goin'
I know it's insane
Because I love you
And lose againWhen the heart calls
The mind obeys
Oh it knows better than me, baby.
If I hold on
For one more day,
Oh maybe, maybe he'll be trueAnd nothing can free me
From this ball and chain
I've made up my mind
I would leave today
But you're keepin'
Me goin'
I know it's insane
Because I love you and lose again.
