

New York, You're My Concrete Lover

Fallulah

I've got the night
I've got the day
I've got a ticket for a plane back home and a thousand reasons to stay
I've got no light, but I know my way
Home is where my heart is, home is where my heart is longing to stay New york, you're my concrete lover
You make me hard as steel
New york, you're my concrete lover
You turn my heart to steel
New york, you're my concrete lover
And I'll make you a deal
I'll give you everything for the way you make me feel I never sleep
I'm just like you
I'm lying in my bed with my eyes open, hoping you'll come through
You rise and swell with your dreams to sell
I think this could be love, but I don't know you that well
New york, you're my concrete lover
You make me hard as steel
New york, you're my concrete lover
You turn my heart to steel
New york, you're my concrete lover
And I'll make you a deal
I'll give you everything for the way you make me feel Put me back on the street
I'm a child of the pavement
It's where I'm scraping my knees when I try to get up again New york, you're my concrete lover
You make me hard as steel
New york, you're my concrete lover
You turn my heart to steel
New york, you're my concrete lover
And I'll make you a deal
I'll give you everything for the way you make me feel
For heaven's sake
Or just for mine
Anywhere you take me I just follow behind
I'm bigger now, and small somehow
Baby, it's all marvellous
Let's make it worth while New york, you're my concrete lover
You make me hard as steel
New york, you're my concrete lover
You turn my heart to steel

New york, you're my concrete lover
And I'll make you a deal
I'll give you everything for the way you make me feel
