wheel but don't lose control, when you grab my clutch
and shift it make sure that you do it slow, baby you're
my rida (rida, rida) baby you're my rida (rida, rida)

[Chorus:]
We can ride in my low low,
Baby it don't really matter where we go,
We can ride in my low low,
Drive top, slip n' slide, thats the way you
like it when we ride,
[x2]

[Mr. Sancho:]
Girl you're looking soo fiiine,(oh, oh, ohhh)
