Shake It (Eurovision Version)

Sakis Rouvas

Everytime you wanna play
turn me on, all the way
come to me and take the ride
skin on skin, it's pure delight
givin' me the passion you're burnin' my heart
gonna rock you till you drop
baby you're the reason I'm feelin' so hot
want you now, I just can't stop
I would trade my life
for a night with you
driven by desire
make that move on me
it's time for you to see
that my world's on fire!!!!!!!
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Forever!!!!!!!
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Forever!!!!!!!
Everyday I can't resist
need the taste of your lips
darlin' it's your body that drivin' me nuts
let me in I've got to touch
I would trade my life

for a night with you
driven by desire
make that move on me
it's time for you to see
that my world's on fire!!!!!!!
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Forever!!!!!!!
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Forever!!!!!!!
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Shake, shake, shake, shake, shake it mi amor
Crazy for love
Give me some more
Forever!!!!!!!
Shake,shake,shake!!!
