

# Turn It Down (feat. Rebecca & Fiona)

## Kaskade

I hold my breath when I hear lies  
Adore to see your eyes fly  
I hold my breath when I hear lies  
I'm color-blind when you deny There is no time to let the blood dry  
You are running my heart  
Look before you make your beat loud  
Can you turn it down There is no time to let the blood dry  
You are running my heart  
Look before you make your beat loud  
Can you turn it down  
Can you turn it down Illusions fade when feelings rise  
I push them under as I hide  
Illusions fade when feelings rise  
I keep on finding reasons why There is no time to let the blood dry  
You are running my heart  
Look before you make your beat loud  
Can you turn it down There is no time to let the blood dry  
You are running my heart  
Look before you make your beat loud  
Can you turn it down  
Can you turn it down  
Can you turn it down  
Can you turn it down  
Can you turn it down  
Can you turn it down  
Can you turn it down
